

The Fitness Products We're Loving This Month

April 7, 2016 by [MICHELE FOLEY](#)

Spring is in full bloom, and it's putting a little bounce in our steps. This month, we're celebrating April by getting outside for our workouts, attending some truly inspiring fitness events, and taking with us just the right gear to keep our spirits high while fueling up with the season's best produce. From colorful sweat-wicking leggings to clean-eating cookies, this is what we're excited about this month.

Go Raw Carrot Cake Cookie

These [Go Raw Carrot Cake Sprouted Cookies](#) may not sound or look like cookies, but trust me – their flavor and crunch are addictive. Made with just five organic ingredients – coconut, sesame seeds, carrots, dates, and nutmeg – they've been perfect for satisfying cookie cravings. – JS
